them scheduled with us for new meetings to present our work later! For one of those drop ins, the pastor of the church asked how he can communicate with me without my wife interpreting and I suggested that we try texting. Travel expands further

After a year of being on deputation, we have started to visit churches that are further away from our home. We have traveled to Virginia, Maryland, Delaware, New Jersey, and Massachusetts. We are very grateful to see many people who love missions and simply provide for us in our travels.

Increased Support!

Since our last issue of the prayer letter, our support went up from 17% to 24%! Praise the Lord!
